## PureFlow® PEX Press Next Generation and Fire Sprinkler Fittings with Attached Sleeve

### Features

- Improved Installation Time
- Appropriate Components Available on Job Site
- Professional Appearance
- Color-Coded Tool Locator Rings Coordinate with Existing PEX Press Tool Handle Colors
- Specially Designed Fittings for Residential Fire Sprinkler Applications\*

The Viega PureFlow PEX Press Fitting now has added features and benefits. An attached sleeve and color-coded tool locator ring is now included for even easier installation on the job site. In addition, these fittings are tested for use in potable water applications, radiant systems and residential fire sprinkler systems.\*

PureFlow Bronze PEX Press fittings are the ultimate PEX fitting solution for contractors and builders nationwide. The bronze material is more corrosion-resistant than copper or brass and has provided millions of durable connections nationwide.
