

rate card

Unless otherwise negotiated, all rates are calculated by the following listed. Discounts may be applied at the discretion of Brazen Pixel at time of billing. Additional fees and unexpected expenses are subject to pre-approval before billing. Flat rates billing is determined before work is begun. Billed hours are NOT prorated and minimum time billed is one hour, unless otherwise negotiated.

All photographic images sold are sold with copyright included, with the provision that it can be used/shown/published for portfolio purposes. I retain the rights/copyright to any unsold/unused photography or design obtained in the performance of the job or event and cannot be used without expressed permission granted by the photographer/designer.
